Welcome to Partners Mutual Insurance Company

www.partnersmutual.com

Partners Mutual Insurance Company was founded in 1931. For many years, we concentrated solely on providing quality auto insurance. Property insurance coverages were later added to round out our Personal Lines products. Commercial Lines, including workers compensation, was added in the 1950's.

We have steadily grown into a Midwest-based company that is small enough to provide each policyholder with superior, state of the art service, and large enough to provide 24-hour claims service using toll-free telephone numbers.

We take our responsibility very seriously to provide you with the best service and insurance coverages possible. We sell our insurance exclusively through independent insurance agents. Your agent and our staff thank you very much for choosing Partners Mutual Insurance Company.

Dear Insured:

Thank you for placing your insurance with Partners Mutual Insurance Company. We are a Midwest-based company that writes auto, homeowners, and commercial policies.
